

Fabulous 340m² block close to the city and Hospital

- Lovely titled block of 340m² in a very central blue chip locale only 3.4km to Bendigo CBD
- Extremely close to city block and a short drive (four minutes) to the new Hospital, CBD and all amenities
- One of four lots for proposed town houses - proposed concept plans available
- Extremely rare opportunity to secure a titled and close to city block in Central Bendigo with all services
- Walk to the arts precinct, Bendigo Art Gallery, cafes, restaurants and everything that is available in central Bendigo. The locale is a most desirable area in Bendigo
- Ideal site for those wanting to downsize and build a home in a central locale
- Extremely tightly held blocks of land in this area - a rare opportunity to buy land in this locale as there is simply very little else available
- All services are available - the block is ready to build on
- Ideal investment for the investor wanting to land bank for future rewards

As the opportunity to purchase land has diminished recently across all of Bendigo this lovely block provides a great opportunity for families wanting to build their home in a great area close to Central Bendigo.
