

3 Grandview Cr, Kennington

Fabulous 300m2 block in absolute blue chip inner city locale

- Lovely block of 300m2 in a very central blue chip locale titled and ready to build on
- Extremely blue chip inner city locale and only minutes to the Bendigo CBD
- Only 2.5km or six minutes to Central Bendigo CBD and all amenities
- Extremely rare opportunity to secure an inner city block in Central Bendigo
- Walk to the train station, cafes, restaurants, La Trobe University and all that is available in central Bendigo. The locale is a most desirable area of Bendigo
- Old established prestigious family area with a range of beautiful period homes
- Extremely tightly held blocks of land in this area - a rare opportunity to buy land in this locale as there is simply nothing else available
- All services are available - the block is ready to build on
- Ideal investment for the investor wanting to land bank for the future or retirees wishing to build a lovely town house on a level block

As the opportunity to purchase inner city land has diminished recently across all of Bendigo this lovely block provides a great opportunity for families wanting to build their home in a great area close to Central Bendigo.
