CA14 Larsens Road, Kamarooka

Rare opportunity to secure a 30 acre home site with good shedding

- A lovely cleared acreage of 30 acres ideal for your hobby farm or weekender
- The property has a dwelling that was being lived in for many years until recently. A small one bedroom dwelling with power and tank water
- The property is fenced and currently has cattle grazing on it
- Essentially the City of Bendigo indicate the property is in the Kamarooka Restructure Plan that allows for construction of a single dwelling on the lot only with reasonable agricultural activity being conducted on the subject land. Council would not support a proposal for a dwelling unless there was sufficient evidence of an economically viable agricultural pursuit pursuant to farming.
- The dwelling has been resided in for some time and there is a possibility that existing use rights might apply, however, a check with the City of Bendigo would be essential as part of your due diligence
- Corner block on the corner of Larsens and Bacon roads,
